

## ▶ **ULTRAMAX™ MULTI-COLOUR GELCOAT SYSTEM**

Fewer parts, stainless steel where you need it, and a rugged design. Save money on hoses, guns and materials by using one system for many colours

### DESCRIPTION:

#### ▶ **SYSTEM FEATURES**

Available in Internal & External Mix Configurations

- Modular versatility
- Rugged components
- Multiple configurations

MVP's easy-to-setup, easy-to-operate and easy-to-maintain Multi-Color Gelcoat unit boasts trusted durability, fewer parts, stainless steel for critical components, and a rugged design.

The UltraMAX Multi-Color Gelcoat unit utilizes quick-change components, extending the system life and resulting in reduced down time. The major components change out in 10 minutes or less.
