

Precision Gelcoat Unit

Apply gelcoat with the versatility
of an airless paint gun

Compact unit
delivers various
output volumes
with a wide
range of spray
patterns

► Simple and adjustable dispensing

- Any combination of thickness and spray pattern with same gun and tip
- Ergonomic, lightweight gun system with mix block support strap
- Mix block designed for easy flushing with convenient on/off handle

► Compact system for stable maneuverability

- Can be used for in-line or touch up applications requiring low or no fluid pressure
- Apply fine layers of gelcoat as low as 2ml per pass
- Ensures accurate mix ratios and saves operational time
- Minimal clean up and reduced waste
