# INNOVATION WITH PURPOSE

- ▶ Since 1939, Magnum Venus Products has been applying the latest technologies to provide industry leading tools that make your process and products better.

We are never satisfied with the status quo. We challenge the norm. And we believe “better” can always be made possible. From advanced valve technology to limiting the number of parts, Talon Internal and External Mix Guns are some of the many products we have manufactured to be best in their category.

# ► Performance-enhancing **FEATURES**

- Advanced Valve Technology (Dynamic Discharge)
- Rapid Access Design (RAD)
- Advanced precision pattern control
- AirCat mono-valve
- Applied fulcrum force to reduce operator fatigue
